

Limited Power of Attorney Pet Emergency Care

I, [pet owner's name], appoint [pet sitter's name] as my attorney-in-fact, to do all that is necessary or desirable for maintaining the health of [pet name] ([species/breed], [age], [brief description]); specifically, to approve and authorize any and all medical treatment deemed necessary by a duly licensed veterinarian and to execute any consent, release or waiver of liability required by veterinary authorities incident to the provision of medical, surgical or other essential care to my dog by qualified veterinary medical personnel.

This limited power of attorney, goes into effect as of [time], [mm/dd/yyyy] and will cease as of the date I return to home, on or about [mm/dd/yyyy].

[pet sitter's name] may authorize without approval from me veterinary services up to and including \$[specify amount]; any amounts over and above that will require that she or the veterinarian contact me by phone at [phone numbers] or by email at [email address] for discussion and approval.

If at all possible, the veterinarians will be, as appropriate based on the emergent nature of need, [regular vet's name and address, phone number] or [name, address, phone number of emergency vet clinic].
